Best farm of its size near Louisa, known as the Loar and See farm, below bridge, 189 acres—40 acres rich high bottom land—20 acres over-flowed land. New five room house, metal roof, weatherboarded and celled. One mile below bridge in W. Va. Call on or address, F. H. Yates, Louisa, Ky.

Fullerton, Ky., Dec. 11.—Fred Mario Griffin, 15 years of age, has been missing from his home in this place since Saturday Dec. 6. He is the son of Frank M. Griffin, agent for the Adams Express Company and the Chesapeake and Ohio Railway Company at this place. He left on a local freight train and told some of his boy friends that he intended to beat his way to Florida and then

sell on a vessel. He is a boy of excellent habits and does not use tobacco or intoxicants and his main fault is his roving disposition. Being an only child, the parents are grief-stricken.

These Sandians are serving on the petit jury in the Federal Court: L. D. Polly, Praise, Pike county.

T. J. Setser, Pikeville, Pike county.

W. E. Flannery, Mouth Cow, Pike county.

G. W. Reed, Manila, Johnson county.

Jesse Stafford, Staffordsville, Johnson county.

L. B. Wells, Odds, Johnson county.

Thos. W. Porter, Sella, Magoffin county.

Thos. Brown, Salyersville, Magoffin county.

D. G. Howard, Sublett, Magoffin county.

Flem Burchett, Woods, Floyd county.

Jasper Johnson, Banner, Floyd county.

R. J. Akers, Allen, Floyd county.

After considerable wrangling the right of John B. Johnson to a position in the public school in Pike county was settled in Frankfort the other day by Prof. J. G. Crabbe, Superintendent of Public Instruction.

Prof. Crabbe approved the finding of A. F. Childress, County Superintendent of schools in Pike county, holding that Johnson is entitled to his place. There was a row between S. W. Tackett and A. N. Mullins over the trusteeship in one school district in Pike county, and the County Superintendent decided in favor of Mullins. An appeal was taken from his decision, and Prof. Crabbe settled the question, unless a further appeal is taken to the State Board of Education, as is authorized under the law.

AVOIDING AN AFTERMATH.

"I propose to have a lot of company to dinner Christmas."

"For congeniality's sake, eh?"

"Partly that, but to see if we can't get rid of the turkey to the last shred."

Said a timid young woman named Foster

To a bull she met down in Gloucester;

"Please I want to get by,"

Said the bull: "So do I;

Let us toes up for it," and he tossed her.

WOULD MORTGAGE THE FARM.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd, by name, says "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c at A. M. Hughes' drug store.

Safe and Sane.

Let us have a safe and sane celebration of the holiest anniversary ever observed by men. Let it be safe, and a prime essential along the line of safety is to effectually bar the use of fireworks and explosives of every sort. Already the embryo Wild West hero is on the streets snapping his toy pistol in the faces of passers-by. Cut it out. The 25th of December is the anniversary of the birth of Christ, not the natal day of Jesse James or Buffalo Bill. The small boy, the little fellow, must have his drum, but that doesn't kill anybody nor put out anyone's eye. But keep the powder and dynamite under lock and key.

Buchanan, Ky., November 25, 1908.

We, your committee appointed to carefully investigate the temperance lesson of today found in Isaiah 28th chapter 1 and 13th verse beg to report we find in the lesson that many of the conditions brought about by intemperance in the days of Isaiah still exist in this great land of ours.

Isiah prophesied the overthrow of the two governments, Judea and Samaria, which had become slaves of intemperance. The bible history shows clearly that the prophecy was fulfilled and every vestige of the two governments wiped out of existence. The reason is to teach us that this great, glorious country of ours is in danger of becoming intemperate and lose regard for the God of heaven and finally meet with the terrible fate that befell these two governments.

Resolved: That our Sunday school place itself on the temperance side, that we pledge our best efforts to go all we can in every honorable, lawful way to drive out intemperance from our beloved country. That we appreciate and highly applaud the great temperance work which is being done by the Women's Christian Temperance Union and the Anti-Saloon League. We realize that through their untiring efforts many of our States and parts of States have been placed in the dry column.

The above resolutions were adopted by a vote of the school and ordered recorded on our minutes and a copy be sent to the Big Sandy News with the request that they publish same.

Consumption

is, by no means, the dreadful disease it is thought to be in the beginning.

It can always be stopped in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home. Take
